

To Whom It May Concern,

Please dont let Sinclair wreak havoc on our laws and our election by violating the spirit and the letter of the regulations prohibiting this kind of 'electioneering'.

Dont let them so blatantly use the right we've loaned them -the use of the airwaves - to distort this contest. It is morally wrong and illegal for Sinclair to air the anti-Kerry film which they have scheduled, days before the election. And if they are permitted to do so, you must at least force them to air a comparable pro-Kerry movie of the same length in the same time period.

But Please step in on our behalf. We've licensed them the airwaves. YOU must be our guardian. That is your mandate. Please protect us and do what is right here. Prevent this abuse of the priviledge which WE have licensed Sinclair.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.

Sincerely,
Douglas Sills
